- My name's Shanling Gong. I came to Lexington in Nov. of last year from the Hunan Province of China. I like Lexington very much: it's peaceful, it's beautiful, and it's very fitting for me. I graduated from Hunan Normal University in 1993 with major in Chinese language and literature.
- Before I came to American, I thought to myself: what can I do with my major in the new world? Teaching American Chinese is perfect, and I hope to share Chinese culture with my students at the Lexington Chinese School.
- I have an eighteen-year-old daughter who came to Lexington with me. In my free time, I like to spend time with her. We enjoy cooking, playing table tennis, listening music and so on together.
