“Teaching is my passion” is my motto. I have taught at the Chinese School since 2014 and it has been something that I look forward to. Teaching Chinese and Chinese Culture is something that is dear to my heart and something that I think is a very important for our children. In the classroom, I will always do my best to make the classroom a fun and educational environment where students can achieve their dreams and meet their goals. I look forward to working with my students and meeting their parents!
